### FEEDING DIRECTIONS:

Provide **Goat Herd Plus Mineral** to goats on pasture on a free choice basis. Locate near areas where animals congregate (loafing, watering, etc) for best results. Average consumption should be 0.6 ounces per head per day. Provide as the sole free choice source of salt.

For additional information, contact your Nutrition Plus LLP representative.

**CAUTION: USE AS DIRECTED.** Consumption of selenium should not exceed 0.7 mg daily.

**WARNING:** This product, which contains added copper, should not be fed to sheep or any species with a low tolerance to supplemental copper.

**NET WEIGHT: 25 LBS. (11.34 KG)**

Manufactured for:
