INGREDIENTS

Molasses products, monocalcium phosphate, dicalcium phosphate, calcium carbonate, magnesium oxide, hydrolyzed vegetable oil, manganous oxide, manganese sulfate, zinc oxide, zinc sulfate, copper sulfate, ethylenediamine

FEEDING DIRECTIONS

This product is formulated for self-feeding to all classes of beef cattle on pasture.

Provide one container for every 20-30 head. A minimum of two (2) containers may be required in each pasture to ensure proper accessibility. Typical intake will vary depending on the size of livestock being fed and the amount and quality of other available feedstuffs. Cattle may consume from 0.15 to 0.5 pounds per head daily. Typical intake on mature cattle should be 0.25 pounds per head daily. Intake may be increased by offering more containers, and decreased by reducing the number of containers available.

THIS PRODUCT CONTAINS NO SALT. PROVIDE FREE ACCESS TO SALT AND CLEAN, FRESH WATER AT ALL TIMES.

CAUTION: USE ONLY AS DIRECTED. Consumption of selenium should not exceed 3 mg per head daily.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper.

Net Weight: 200 lb. (90.7 kg)
